

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 1618

IN THE MATTER OF:

Application of SUBURBAN TRANSIT)	Served November 9, 1976
COMPANY for Certificate of)	
Public Convenience and Necessity)	Application No. 890
to Perform Specified Charter)	
Operations - Howard University)	

On November 12, 1975, Suburban Transit Company (Suburban) filed the above-captioned application to transport passengers, over irregular routes, in charter operations, between the Meridian Hill Dormitory, Sixteenth and Euclid Streets, N. W., Washington, D. C., on the one hand, and on the other, the Howard University School of Business Administration, Sherman Avenue, N. W., Washington, D. C., and the main campus of Howard University, 2400 Sixth Street, N. W., Washington, D. C., pursuant to a contract with Howard University.

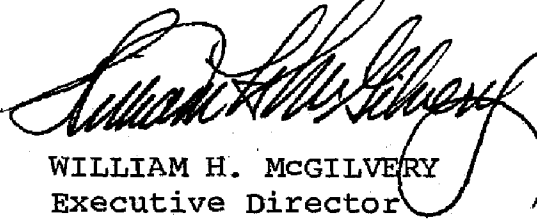

By letter dated November 13, 1975, Suburban was notified that said application had been accepted for filing pending receipt of either an executed contract or a letter of intent setting forth the terms, conditions and provisions of the intended contract. Suburban was further advised that it is not administratively feasible to process an application without some assurance that the applicant will be awarded the contract upon which the authority would be based.

Nearly twelve months have elapsed since said request, and Suburban has failed to provide the required contract or letter of intent. It appears that Suburban is not ready to proceed with its application, and the application will be dismissed, without prejudice, for want of proper prosecution.

THEREFORE, IT IS ORDERED:

That Application No. 890 of Suburban Transit Company
be, and it is hereby, dismissed without prejudice.

BY DIRECTION OF THE COMMISSION:

WILLIAM H. MCGILVERY
